Dot

Circular luminaires suitable for surface or semi-recessed mounting

The discreet Dot is a circular, slim-profile, surface-mounted or semi-recessed luminaire with a spun aluminium body, equally at home on the ceiling or a wall.

Dot is available with either an opal or LED satin sparkle polycarbonate cover. It can be supplied with optional red, green, blue (RGB), or white LEDs, with a light, green-tinted backlit halo ring.

Applications: corridors, general circulation areas, staircases, bedrooms, and toilet areas.

- Opal or high efficiency satin sparkle effect fire-retardant polycarbonate diffuser
- Optional light green tinted backlight halo (RGB or white)
- Semi-recessed mounting option (see accessories for kit)
- SmartScan wireless technology removes the need for control cabling. Ideal for retro-fit

Notes: Backlight halo is switched in line with the main light source via the SmartScan system
